To weekend participant:

Now that the weekend is almost over, we would like once again to collect your views on crime in Britain, and what we can do to help reduce it.

As before, we would like you to answer each question simply by placing a tick (✓) in one box for each question. The answers you give will be treated as confidential and anonymous.

Please ensure that you complete the questionnaire fully and hand it in when you have finished.

THANK YOU ONCE AGAIN FOR YOUR HELP.

Social and Community Planning Research is an independent social research institute registered as a charitable trust. Its projects are funded by government departments, local authorities, universities and foundations to provide information on social issues in Britain.
