[# general foreign policy, role of U.S. & goals

>fp1<

Our first questions are about international affairs and foreign policy.

Thinking back on the terrorist attacks of Sept. 11th, 2001, how would you say America has changed as a result? Would you say it has changed...

- (1) a lot for the better,
- (2) somewhat for the better,
- (3) somewhat for the worse,
- (4) a lot for the worse, or
- (5) not much in either direction? @

>fp2a<

Next I'm going to read you several possible long range foreign policy goals the U.S. might have. Please tell me how high a priority you feel we should give to each one by using a number from 0 to 10, where 0 is no priority at all, 5 is average priority, and 10 is the top priority.

How about protecting the global environment? On a scale from 0-10, how high a priority should this be as a long range foreign policy goal? @a (0-10)

How about ensuring adequate energy supplies for the U.S.? (On a scale from 0-10, how high a priority should this be as a long range foreign policy goal?) @b (0-10)

(How about) promoting democracy in other countries? (On a scale from 0-10, how high a priority should this be as a long range foreign policy goal?) @c (0-10)

>fp2b<

(How about) preventing the spread of weapons of mass destruction? (On a scale from 0-10, how high a priority should this be as a long range foreign policy goal?) @a (0-10)

(How about) aiding the interests of U.S. business abroad? (On a scale from 0-10, how high a priority should this be as a long range foreign policy goal?) @b (0-10)

(How about) fighting terrorism? (On a scale from 0-10, how high a priority should this be as a long range foreign policy goal?) @c (0-10)

(How about) providing food & medical help to poor countries? (On a scale from 0-10, how high a priority should this be as a long range foreign policy goal?) @d (0-10)

>fp2c<

(How about) protecting the U.S. from attack? (On a scale from 0-10, how high a priority should this be as a long range foreign policy goal?) @a (0-10)

(How about) protecting human rights in other countries? (On a scale from 0-10, how high a priority should this be as a long range foreign policy goal?) @b (0-10)

(How about) protecting weaker nations against foreign aggression? (On a scale from 0-10, how high a priority should this be as a long range foreign policy goal?) @c (0-10)

(How about) reducing world poverty? (On a scale from 0-10, how high a priority should this be as a long range foreign policy goal?) @d (0-10)
